Rainforest Scavenger Hunt

Gather Materials:

- A pen or pencil
- Sheet of paper
- Adventuring gear (optional)

Try This:

1. Put on your best adventuring outfit and take a tour of your house.
2. See if you can find some of these items and ingredients that are from the rainforest!
3. We get a lot of resources from rainforests all over the world. Check out the list of rainforest items below! Can you find anything else in your house that might have come from a rainforest?
4. Rainforests are in danger of being cut down, and we need to help protect the plants and animals that live there. What ideas do you have to protect the rainforests? Try researching some potential ways you can help!
